

# Early Childhood Endorsement II - Health, Safety, Nutrition Series

## Early Childhood Endorsement Program (ECEP)

To meet the need for a highly qualified early childhood workforce, the Virginia Department of Social Services (VDSS) has established the Early Childhood Endorsement Program (ECEP). This program is designed to provide a comprehensive foundation of knowledge for working with children of specific ages (infants and toddlers or preschool). The ECEP is a collaboration between the VDSS, the Virginia Community College System (VCCS), and the Community College Workforce Alliance (CCWA).

## The VDSS Early Childhood Endorsement Program offers four endorsements:

1. Infant/Toddler Endorsement
2. Preschool Endorsement
3. Early Childhood Endorsement I – Creativity Series (ECEI)
4. Early Childhood Endorsement II – Health, Safety, Nutrition Series (ECEII)

## VDSS Early Childhood Endorsements can be valuable as:

- ✓ Entry-level credentials for employment in the field of early childhood
- ✓ Demonstration of foundation of knowledge working with infants and toddlers/preschool children
- ✓ Supplements to a child-related degree or credential that does not include instruction on infants and toddlers/preschool children
- ✓ Supplements to a degree or credential outside the field of early childhood

Successful completion of courses can also fulfill requirements for teaching licensure renewal, annual licensing, and training for the **Child Development Associate (CDA)** credential.

**Participants have two options by which to achieve an Early Childhood Endorsement II - Health, Safety, Nutrition Series:**

**OPTION 1 - VDSS SPONSORED COURSES**

The Early Childhood Endorsement II requires completion of the following 12 classroom-based or online courses. Successful completion of each course provides 4 clock hours of training credit. The courses can be taken in any sequence.
