

TUITION FUNDING OPPORTUNITY

Interested in receiving teaching licensures and a Master of Education in Special Education?

Virginia Commonwealth's School of Education will sponsor 20 students for a new interdisciplinary program called **Project 3IP**.

The details:

- M.Ed. concentration in Early Intervention and Early Childhood Education prepares individuals to work with families and young children, from birth through age 5, with and at risk for developmental disabilities
- Project 3IP is an interdisciplinary training program across three disciplines: education, physical therapy and pediatrics
- Program starts Fall 2018
- Applications accepted on a rolling basis
- Part time or full time, with completion in 6-8 semesters
- Program highlights: initial teacher licensure, intensive intervention training certificate, creation of electronic portfolio showcasing skills and knowledge, and networking opportunities

Deadline Extended:
Apply by April 1st
